Noida Sector 66 | 9140967668 | mkshitij007@gmail.com

PROFESSIONAL SUMMARY

Detail-oriented Quality Associate with hands-on experience in AI-generated voice/video content QA, client relationship management, and system testing. Strong understanding of STT/TTS workflows, prompt evaluation, and UI/UX validation. Passionate about building intuitive and reliable AI-powered user experiences.

EXPERIENCE

Quality Associate | Tavus - AI Company (31 Jan 2024 - Present)

- Performed QA on AI-generated voice/video content for accuracy and personalization.
- Tested speech models (Whisper, ElevenLabs) for alignment, clarity, and tone.
- Evaluated prompt outputs and flagged hallucinations and inconsistencies.
- Logged structured feedback using Jira and collaborated via Notion.
- Conducted avatar testing for lip-sync and emotional tone accuracy.
- Participated in refining retrieval-augmented generation (RAG) workflows.

Relationship Manager | Urban Company (17 Aug 2022 - 7 Sep 2023)

- Built and managed long-term client relationships, improving service retention.
- Resolved customer concerns quickly and effectively.
- Maintained high customer satisfaction through clear communication.
- Coordinated between technical and operational teams.

Quality Engineer | Rashmi Rare Earth Ltd (12 Dec 2021 - 21 May 2022)

- Ensured ISO 9001:2015 compliance in manufacturing processes.
- Inspected electrical systems and documented technical issues.
- Maintained quality reports and suggested corrective actions.
- Updated internal QMS systems and participated in audits.
